Brain Play

START

Take your brain on a hike!

Name foods that some people use for decoration.

NOM NOM NOM

If you could listen to just one instrument, which would it be?

Name some jobs that animals have.

Is that a watermelon shark I hear?

What is the difference between HEARING and LISTENING?

Which story that you've read or heard is most like your life?

Would you rather take a shower or a bath? Why?

Which colors do you wear the most? WHY?

What do you waste? How could you stop?

What kinds of gifts might be easy to figure out from their shape? From their sounds?

Which of your fingers do you think is strongest?

THE END!

What kind of contest would be just right for you?
