## Bird Café

### You Need

- Scissors
- Shallow plastic container with lid
- 2 sheets of 8½-inch-by-5½-inch craft foam
- Tape
- Hole punch
- 3-foot-long piece of yarn
- Birdseed

### Before You Begin

*Adult: Cut the rim off the plastic container.*

1. Cut a rectangular window in the middle of a sheet of **craft foam**.

2. Wrap the craft foam around the **container**. **Tape** the foam in place.

3. Wrap the top of the craft foam around the **lid**. Tape it in place.

4. Use a **hole punch** to make a hole at the top of the foam, about 1 inch from the side. Repeat on the other side.

5. Put one end of the **yarn** through a hole and tie a knot. Repeat on the other side.

*Adult: Make a loop knot in the yarn about 6 inches from the top of the yarn.*

6. Fold the other piece of craft foam in half to make the roof. Tape it to the bird feeder. Fill the plastic container with **birdseed** and hang it in a tree.
